Установите соответствие между текстами и рубриками, выбрав рубрику из выпадающего списка. Используйте каждую рубрику только один раз. В задании одна рубрика лишняя.

A) Рубрика

The central feature of the Kuskovo estate, the Palace with its splendid forecourt and magnificent formal garden, is the best preserved part of the estate. The forecourt is combination of the designing principles of the old boyar estate and the eighteenth-century country residence. The irregular arrangement of the buildings gives the forecourt a picturesque quality.

B) Рубрика

Seeing a dog sticking its head out the car window enjoying the sights and smells on a sunny day is super cute, but is it safe? Increasingly, many are saying it's not. Experts say that in a car with brakes being applied while driving 35 miles per hour, even a small dog can create a force the equivalent of 2,700 pound baby elephant! Bad for your dog ... and could be bad for you too.

C) Рубрика

In an exciting game, Barca was up 5-1 with just moments left – so close, but they'd need one more for the miracle win. Then, in stoppage time (after regulation time is done and where time lost during the game is made up) ... with seconds left, Barca passed it to substitute player, Sergi Roberto, who placed a perfectly timed foot on the ball ... and scored!

D) Рубрика

In the presidential elections in France a win for Marine Le Pen would have resulted in a very different vision. Ms. Le Pen had wanted a Frexit, France's exit from the European Union (similar to Brexit, Britain's recent exit from European Union membership). During the campaign, her views were often compared to President Trump's.

E) Рубрика

The rain overwhelmed rivers and streams causing "flash floods" as the banks couldn't absorb or contain the water. The force of the rushing waters uprooted homes and cars as it went by, snapped roads and bridges in half, and breached dams meant to contain the water. Many towns can be reached now only by helicopters.
